

Village of Port Edwards

BEFORE YOU REQUEST A BUILDING APPLICATION, DO YOU HAVE THE FOLLOWING?

1. New Home:
Heat calculations, water calculations, 1 set of structural construction plans and a site plan with dimensions. All headers must be sized and indicated on construction plans.
2. Additions, Attached/Detached Garages, Porches, Decks & Accessory Buildings:
Structural construction plans and a site plan with dimensions.
3. Fences, Dog Pens & Temporary Structures:
Site plan with dimensions.
4. Signs:
Site plan with dimensions, pictures of existing signage and square feet of signage used and remaining.
5. Commercial Buildings:
State approved plans and site plan with dimensions.

NOTE: Measure setbacks from property lines.
